

World of Ace, Mai and Shammy

Welcome to the canonical archive of the Ace & Mai universe — a layered narrative system built on identity, pressure, and equilibrium.

This archive serves as the structural backbone of the world: characters, timelines, operational doctrines, multiversal architectures, and convergence logic are documented here in structured continuity form.

This is not a loose anthology. It is a deliberately constructed multi-level narrative continuum.

The archive continues to expand over time. Established canon remains stable. **No lore required. Just step in.**
